COMSAT SYSTEMS PRIVATE LIMITED

ENGINEERING THE GROUND SEGMENT FOR WHAT COMES NEXT.

For more than four decades, Comsat Systems has designed, engineered and manufactured satellite ground infrastructure in India.

From large earth stations to advanced tracking systems, RF feeds and mobile platforms, our capabilities span GEO, MEO and LEO across L, S, C, Ext C, X, Ku and Ka bands.

40+ YEARS
OF EXPERTISE

0.8M – 18M +
SYSTEMS

L • S • C • Ext C • Ku • Ka
FREQUENCY BANDS
